

WELLINGTON 10,000

KIDS WITH CANCER FOUNDATION ONE LOFT RACE.

This is an invitation for a chance to win up to \$10,000 total prize pool of \$19,000 and help a very needy charity, The Kids with Cancer Foundation.

All you have to do is enter 1-10 birds into the Wellington One Loft Race@ \$100 per bird maximum of 10 birds per person, syndicate or team.

- 1. The only One Loft Race that raises money for a registered charity.**
- 2. Pays out more prize money per \$100 entry fee than any other One Loft Race and still donates money to the Kids with Cancer Foundation.**
- 3. All races are flown on the East-North East lines which equates to good solid racing, tests the birds out on their own and no blow homes.**
- 4. Birds not liberated with large numbers (Less followers)**
- 5. The birds that complete the 10k race are eligible to stay at the loft and compete in the 2yr Old Classic Race distance over 600 miles. Birds must have been bred for that distance to be eligible. It is hard to race from Alice Springs, but we believe even harder to race the North East line.**
- 6. Successful Adelaide flyers keep North East line birds for stock rather than keep Alice Springs birds.**

Please feel free to contact myself Lyndon Frick on
